PROFILE

I am a second year college student at Willamette University in Oregon. I am currently a psychology and computer science double major considering a triple with data science. My main interest in computer science is in game design while my main language is python.

SKILLS

- Social media
- Design Thinking
- Communication
- learnability
- Problem-Solving
- Computer Literacy
- Project Management
- Organization
- intermediate japanese

EXPERIENCE

OPENING DAYS LEADER

Willamette university

2022

I lead a group of new and incoming students, helping them get accustomed to the campus. This involved making sure they felt comfortable and safe as well as figuring out how to answer any questions they may have had.

ASSISTANT SKI COACH

Juneau Ski Club

Winter 2018-2019

I helped lead a group of children ages 10-14 while they practiced for ski racing. This involved helping lead drills, keep everyone together, and solve any issues that may come up concerning the kids or other obstacles.

EDUCATION

SECONDARY SCHOOL
Juneau Douglas High Scool

2010 - 2014
